AVIS

—

La nécessité d'étendre à toute la Puissance du Canada le cadre de cet ouvrage se fait sentir de plus en plus. D'autre part, le développement de l'esprit d'association fait que le nombre des compagnies incorporées va s'accroissant rapidement d'année en année.

Pour ces raisons, l'auteur se propose de publier à l'avenir un supplément annuel, devant comprendre les Provinces Maritimes, la Colombie Britannique et les Territoires, en sus des provinces du centre de la Puissance.

Ce supplément sera publié dès le commencement de chaque année, vu que l'auteur se tiendra constamment renseigné sur toutes les matières qui devront y entrer.

Dans l'intervalle entre chaque publication, toute information pressante pourra être obtenue en s'adressant au soussigné, lui transmettant un léger honoraire de $1 par compagnie ou sujet.

PH. BAUDOUIN, Notaire,

MONTRÉAL.
